2007-10	Sienna	2007-09	ES 350		

Vehicle Compatibility Notes

Radio must have an "AM-SAT" button to be compatible.

Not compatible in 2009 model vehicles that have an "XM" logo printed on the face of the radio.

If using with the HDRT HD Radio tuner: Radios with a diversity antenna will need the uPAC-TOYHD harness in order for the HD tuner to work correctly.

Vehicle Specific Notes

Lexus

In Lexus vehicles equipped with factory satellite radio, the satellite tuner will have to be disconnected at the tuner location in order for the uPAC-TOY1 to work correctly.

Scion

Not compatible in vehicles equipped with the OEM Pioneer radio with the OEL display.

Toyota

In Toyota vehicles that are equipped with satellite radio: Unless the satellite radio tuner is branded as an OEM Toyota unit it will have to be disconnected in order for the uPAC-TOY1 to work correctly.

2009 & Up Toyota Venza: Only compatible in vehicles equipped with navigation.
